Write The Untold Story of Your Wall Space.

i-infinity by Range ceramic

The idea of infinity cannot be described in words or even express, but it can be apprehended through art. The absolute is only attainable through faith and in the creative act with this simple idea we are presenting our new tiles collection.

The emotion that only handmade things can offer blends with infinity love for materials, respect for traditions and the continuous improvement outcomes from masterful daily gestures.

In the world of Artist, past, present and future blend in a material that is full of life to offer a feeling of inspired contemporary craftsmanship to residential and commercial spaces. A new size, colors and designs that enhances the artisanal appeal of the collection and is ideal for wall spaces.

Your limits are somewhere up there, waiting for you to reach beyond infinity. We are exhibiting the new infinite mystery "i-Infinity series" the collection of quality wall tiles with stunning glossy and matt finish. An infinite essential style, reliability and versatility that give maximum value to the most ambitious spaces. Limitless natural colors and an extremely versatile range of surfaces and 400x800mm size make this collection an invaluable tool to transform any space help to architect and designer to create the innovative master art.

The combination of our materials becomes a tool for design and refined aesthetics speak clearly. The infinite color gives a dynamic feel but in delicate manner. Matt and glossy areas and iconic punch all give their contribution to the dynamic feel.

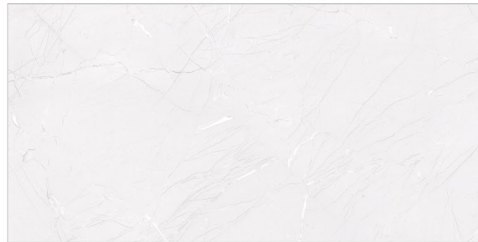

By reaching for infinity, you reach the core of yourself and access limitless choice with us.
