COLOR THERAPY

Colors create, enhance, change, reveal and establish the mood of a space. A splash of color can invariably make all the difference. Colors fill up our life and following that we have developed our range of COLOR THERAPY.

The series is incorporated with 18 different colors, and each of this color has been cultivated keeping in mind the most trifle and essential need of customers.

It is scientifically proven that when you add colors to your space they can intensify your senses and emotions. A variety of colors are associated with focus, keeping one's spirits high, to remain calm, to feel energetic and happy. Invite all of this and much more to your space with the new COLOR THERAPY.

our aim is
MAXIMUM
use with
MINIMUM
size

The sole purpose behind these subtle and unique designs is to maximize their use in different spaces like bathroom, kitchen, and pool side. With their minimum size they can be equipped for numerous intents.

*therapy of
Oasis
Green*

A 3D rendering of several green ceramic tiles arranged in a staggered pattern. The tiles are shown from an isometric perspective, highlighting their thickness and the way they interlock. Overlaid on the tiles is the text "therapy of Oasis Green" written in a white, elegant cursive script.
